

How to make an appointment with ISSO

Step 1: Go to <https://unlincoln.force.com/SSH>, sign in, and click on “Schedule an Appointment”

Step 2: Click on “International Student and Scholar Office (ISSO)”

The screenshot displays a web interface for scheduling an appointment. At the top, the title "Schedule an Appointment" is centered. Below it, a question "Who would you like to meet with?" is followed by a search bar containing the placeholder text "Search for a person or team...". Underneath the search bar, there are three tabs: "Recent", "Assigned", and "Teams", with "Teams" being the active tab. To the right of the tabs is a dropdown menu labeled "All Topics". The main content area is a list of six team options, each with a blue circular icon containing two white figures and a right-pointing arrow:

- Center for Academic Success and Transitions
- Explore Center Advising
- International Student and Scholar Office (ISSO)
- Office of Academic Success and Intercultural Services
- Undergraduate Research & Fellowships
- University Career Services

Step 3: Click on “ISSO” then click on the topic you wish to talk about
